

ESSA

The Every Student Succeeds Act (also referred to as the Elementary and Secondary Education Act) is the federal bill that funds and governs public school districts in the United States. Gifted and talented education is included as one of several areas eligible to receive funding under:

Title I - Funding for underserved populations can be used to identify and serve gifted and talented students who are economically disadvantaged

Title II - Allocates funding for professional development to train all educators in meeting the needs of gifted and talented students
