Gifted Children

ADVOCATING FOR YOUR GIFTED & 2E CHILD

A virtual, informal discussion group that links families and teachers to promote dialogue on addressing the needs of gifted and 2e kids.

WHY JOIN US?

- ✓ Educating families on the unique qualities and challenges faced by gifted and 2e children.
- ✓ Providing information to families on the educational needs of gifted and 2e children including the rights afforded to these students under New Jersey law specifically the Strengthening Gifted and Talented Education Act.
- ✓ Empowering families to advocate for gifted and talented programming and services within their local school district.
- ✓ Connecting families and building a community of like minded individuals who wish to champion for gifted children.
